

CONTRIBUTING ACCORDING TO THE SEVENTH TRADITION

To support AA's essential services, the General Service Conference recommends that groups follow the "60-30-10" plan.

It works like this:

First, take care of basic group expenses such as rent, refreshments and AA literature.

Divide the remaining funds as follows:

Date _____

Total contribution.....\$ _____
60% to Midshore Intergroup..\$ _____
30% to GSO.....\$ _____
10% to MGS.....\$ _____

In accordance with the seventh tradition...AA accepts no outside contributions at any level.
