

Host an Intergroup Activity

Do you love your home group? Share the love with a lot more people by hosting an intergroup activity!

Here's how it works:

- **Take this flyer to your group. Decide if your group would like to host an event. (You don't have to choose the "where and when" yet.)**
- **Let Intergroup know if you're interested.**
- **Intergroup will support your activity by assisting with logistics and advertising the event.**

The sky is the limit but here are some activity ideas:

- **Have a workshop.**
- **Plan a bowling night, roller skating, karaoke?**
- **Host a party.**
