**APRIL STEERING COMMITTEE** - Sunday, April 28 - Met with Committee Chairs and officers to discuss issues and solutions.

- Anne E. asked how to get the church paid for Open Mic. She was directed to the new Disbursement form which is on website.
- Will M. wants more Big Books for Caroline County Detention Center. He also asked for help with Dorchester County contact. Larry can assist.
- Larry R. wants to receive literature orders by email to [office@midshoreintergroup.org](mailto:office@midshoreintergroup.org) and he will utilize a form to keep track of orders and inventory. He is preparing a large order that will allow us to take advantage of a GSO sale. Larry suggests we hold a "sale" for literature and pamphlets that aren't moving.
- Nancy distributed Summary of Motions for review.
- We agreed that the office carpeting needs to be removed sooner rather than later. Meg and Larry will talk to the landlord about reimbursement and get prices. We will need AAs to help move furniture. Considered best way to proceed with finances.
