

MIDSHORE INTERGROUP INVENTORY

The Biennial Inventory is an opportunity for home group or individual A.A. members to provide feedback to the **MIDSHORE INTERGROUP (MSIG)** so we can provide services most effectively in this region. The region comprises the following counties: Caroline, Dorchester, Kent, Talbot, and Queen Anne's. Our Bylaws, following GSO guidelines, state that the primary purpose of Midshore Intergroup is, like the individual A.A. group, to carry the A.A. message. Intergroups are established to serve individual groups in their region carrying out certain functions which are common to all groups, and which are best handled by a centralized office.

Intergroup Representatives are asked to review the questions with their homegroups, answer as many as you can and return by email to Secretary@midshoreintergroup.org or bring it to the Intergroup meeting on April 9, 2025.
